JADE? WHAT A GIRL!

I went for a Nuru massage about two months ago and it was the best ever. I didn't quite understand the meaning of the term 'full body massage' until after this. My masseuse, Koshi guaranteed that I would enjoy the treatment and led me straight to the shower where I experienced an ass-cock rubbing. When she dropped her top, she had some amazingly full boobs that immediately reminded me of Jade [Kush] in your magazine, so I closed my eyes and imagined it was her body I would be rubbing against. But first Koshi took me to the sukebe chair to prep me for the nuru. WOW! was that ever an experience in itself. For those of you who don't know what that is, look it up and fantasize. After we both cleaned up, it was time for the full body massage. She rubbed her entire body and mine with the Nuru gel and slid on me bringing me to a great release. Thank you Jade, I mean Koshi!

TIA'S BEST SIDE

Hello. I'm an amateur photographer trying to go pro. I want to specialize in tattoos and body modification. But my real interest is in Oriental-style tattoos, and when I saw Tia Tanaka's dragon on her back in your last Club Asian issue, I was instantly attracted to it, and her. I too, am Asian this is the first shoot I ever did was with the 19 year old Asian girl with tats on her legs and tracings of a large dragon on her back. I quickly hooked up with her to do a shoot after a bit of negotiations and a bunch of travel time. She was fun and she's actually pretty smart, and quite a good model. I took my Club Asian issue with me and showed her poses and expressions and she was actually pretty good. We had a great shoot and when I showed her my snaps, she was impressed. Later she introduced me to some friends of hers that also had tattoos. So, if Tia ever needs some good photos of her tats, just give her my number. PLEASE!

MAGIC MIKE

I've been dating Mike for five years. My friends all tell me I'm nuts. I'm told that with my face and my body I could have any guy. Instead I go with Mike. I'll bet he doesn't even weigh 120 pounds and he's at least a head shorter than me.

He's really a boring person, but I'm hooked. I have been since the first time he ate my pussy. Mike's mouth is magic. His secret is attitude: He eats pussy because he loves it. He would lick my pussy all night if I'd let him. And I would let him if I could stand it, but a girl can only come so many times a night.

The first time I let Mike go down on me it was a dare. My BFF told me how good he was with his tongue. When she pointed him out to me in the laundry room of our apartment building, I broke out laughing. But Lynda insisted that this skinny kid, hardly twenty years old, who looked more like Woody than Channing, was a real pro.

Lynda told me to use the direct approach and then she pushed me into the room and closed the door.

I slipped up behind him and whispered in his ear, "Eat me, Mike." I held my breath while he stood there like a zombie. I couldn't imagine any more direct way to say it. Mike turned around and smiled. He was blushing and at the same time licking his lips.

I put my hands on his shoulders and pushed him to his knees. Fortunately, we were hidden by a bank of dryers. Once on his knees, Mike knew just what to do. He put his

head under my skirt and soon had the crotch of my panties aside and his tongue deep in my pussy.

He was in no hurry. He began with light licks around the wet, swollen lips of my pussy and progressed to tiny, rapid thrusts in and out of my slippery slot. He never touched my clit until I begged. He practically had me screaming before he finally let his hot mouth hover over the tingling nub. His hot breath sent shivers up and down my spine even before the

Push for the Kush!

So, I had been wondering when you would get around to putting Jade Kush on the cover (Club International: Club Asian #248). She's a girl with boobs you don't normally see on an Asian. That being said, would you please find a way to get her in another issue – real soon.

– Bart, Dallas

flicking of his tongue began.

He is somehow able to make his tongue vibrate. It is like he has a motor on it. He supported my trembling body by squeezing the cheeks of my ass with his surprisingly strong hands. I don't know how many times he made me come before he pulled me back on the floor and had me straddle his face.

"Fuck my face," he mumbled, as he extended his tongue as far as it would go into my quiver-

ing box. I don't know how he could breathe with his head buried under my dress and his face covered with my pussy, but at the time I didn't care.

I bounced up and down on his stiff tongue

and unzipped his pants and pulled out his stiff cock. As soon as my hand made contact with it, he groaned and erupted. His cum shot across the space between our bodies and splattered the front of my dress.

like it was a miniature cock. At the bottom of each downward thrust, he would flick his tongue inside of my horny pussy and set off another explosion. So help me, Mike had me coming on every stroke.

When I could take no more, I rolled off of his face and sat on the floor with my back against a dryer. Mike sat up and grinned at me while he licked my slippery juice from his face.

I was relieved to see that at least he had a hard-on. I felt like I should do something for him so I reached over

I found out later that Mike has a hair-trigger. That's why he is such an expert pussy lapper. His problem doesn't bother me in the least. He satisfies me every time his mouth goes between my legs and it is no trouble at all to finish him off when we are through. It is a small price to pay.

ROAD TRIPPIN'

My best friend Barry is a little bit out there. Nudity seems to be his natural state. He sat in the passenger's seat with the clothes he'd squirmed out of on the floor around his feet as we were doing seventy

along I-40 going from Arizona to California. I was mildly shocked and amused, and having slight difficulty concentrating on my driving. My left hand held the steering wheel firmly set to its course and my right hand was playing with the stick-shift. His, that is. We have a fun relationship because we're both fun people.

"This is crazy" I said, firmly gripping the base of his penis and tugging on it. "What if we get pulled over?"

"Don't speed or anything and we won't. Besides, it's more likely we'll get pulled over because we're black" he said.

My hand slid up his shaft and I curled my fingers around the head. I felt a little drop of wetness against my palm. I squeezed, trying to make that happen again. I looked in the rearview mirror and saw a car approaching in the next lane.

"Darling..." I said uneasily.

"Don't worry about the cars" he said. "Just let me know if you see a truck." He punctuated the sentence with a grunt, and I felt a little more wetness. I wiped it away with my index finger, then raised the finger to my lips and licked it quite deliberately. Watching me, he moaned.

I puckered my lips around my finger and slowly sucked it in and slid it out of my mouth. I did this a few times, and lapped it lasciviously, while he watched with wide eyes.

"This is what I want to do to your cock" I told him. I laughed, then grabbed him again and vigorously renewed my massaging. A car passed us on the left, then suddenly slowed down so that we caught up. I took a quick glance. The man in the car was gaping at us. I broke into an embarrassed laugh, sped up and changed lanes to leave the car behind.

"That guy saw us" I remarked.

"I don't care" he said. "Do you?"

"Oh, you dirty boy!" I squealed. I stroked it with my fingers. "Thank you!" He reached down and retrieved his shirt. "I guess I really should put my clothes back on, though."

"Yes, do that." I let go of him and put my hand on the steering wheel as he buttoned his shirt but left his pants on the floor. His long cock pointed up from his lap. "Quite nice" I said, reaching over and taking hold of it again.

I caressed it devotedly for a few moments while he writhed around in his seat and made restrained little

noises. Another car was approaching. Hastily, I snatched my hand away.

When the car was passed, we returned to our activity, only for it to be interrupted similarly a moment later. I giggled, seeing him

“Too good” he said with a little difficulty. “Stop. I’m going to come.”

“Stop? You don’t want to come?”

“Well, I do, but that wouldn’t be fair.”

“Yes, that too. Come building up...I want it to build up and build up and build up...until finally it shoots out all over! All over my hand...and then I’ll lick my fingers and taste you...and find out if you taste as good as you smell...”

His breath was getting fast and heavy.

“Most certainly.” I raised my hand to my face and sniffed it. “And my hand smells like your cock...it smells so good...I just want to bury my face in it...” I dropped my hand back into his lap and seized him again. I squeezed his balls and tickled his cock before once again putting my hand around it and jerking it. “Come on, baby. Come on” I urged. “Don’t hold back.”

“Oh, God...” he moaned.

“You don’t know how much you excite me when you moan like that. I want it. I want you to come. All over. Don’t keep it in.” An uncontrollable sound spilled from his throat, and I made a soft sound in response to the zigzags that his display of excitement sent streaming down my spine. I rubbed faster in encouragement.

“Oh, please... yes...faster, please...oh...oh...OH!”

“Well, give it to me now! Pour it out! Just come!”

“Ohhhhh...aaaaahhh, baby...it’s good...oh, feels

good....I’m gonna come, gonna come....gonna... AHHH!”

His hips jerked upward from the seat, and his rapid breathing slid into a long sigh. I turned my head just in time to see hot, milk-white semen spill from his cock onto my hand. It ran down my fingers and off my wrist and dripped into his coarse pubic curls.

I continued with my driving as he slumped down in his seat trying to calm down. “I’m so glad you enjoyed that. I did, too... very much.”

“Not as much as I did!”

“Maybe not quite as much as that, but still very much.”

“Oh, good, baby...I felt so selfish.”

“It was a good time to be a little selfish.”

“But I want you to feel good too, baby.

“It made me feel good to make you feel good. Felling ggod is what we’re all about.” I reached over and stroked his neck.

“Besides, I’ll get mine later.” I ruffled his hair. “Won’t I?” I added coyly. We drove on for three more hours because I couldn’t take it anymore. I pulled over at Barstow and we got a room because I want mine now.

– B.B., Denver, Col.

trying to cover the unwieldy appendage between his legs. A few more cars passed, then the road was clear. I pushed his hand away and discovered that his cock had softened a bit while the road was busy. “Oops!” I said, giggling it.

“This won’t do. I want it hard!”

“Well, m’love, you know how to accomplish that.”

“Yes, indeed I do” I said, proceeding. It didn’t take but a few squeezes to return my plaything to its former state. A few more and he was once again squirming in his seat. “Feel good?” I asked.

“Oh, baby, yes, it would! I want you to come!”

“No, because I can’t do anything for you!”

“Yes you can. You can come so I can lick my fingers.”

I pulled his cock rhythmically. He grunted loudly.

“Oh, baby, your cock is so warm and hard. I want you to come so I can taste you. It’s so warm...so hard...so alive...Why, I can feel the blood just throbbing in it!”

“And the come...building up...” he added, trying to keep his voice steady.

Raven haired London loves a really big cock in her moist pussy. This babe takes it any way he can give it. And when he does, it seems she can't get enough of his ramrod in her puss until she's massively climaxing! This amazing fuck bunny loves the warm, slimy taste of her man's huge load.

MAKING ME CUM IS HIS SPECIALTY

888-833-5878

MUST BE 18+

My best friend's husband and I didn't win the race, but we still came in first

Billy's dick jumped under my hand as I reached inside of his tight swimming trunks and squeezed it. His lips against mine were persistent. His hot tongue explored my open mouth. My pussy had that exciting familiar tingle.

Billy is good looking, tall, tan, well-muscled, with a Chris Pine kind of smile. He is also my best friend's husband.

Neither of our mates likes the water. Yet Billy and I are fanatics about it. My husband and I have spent many pleasant weekends aboard his boat. But, because Myrna, his wife, gets seasick, we seldom left the dock.

Our trip began as a dare. The four of us were playing cards, when Billy mentioned a raft race scheduled for the following Saturday. The rules called for a two-man crew. He was complaining that none of his friends had any adventure in their souls.

Actually, it was my husband Jim who got me involved. "Why don't you take my mermaid?" he teased, pointing at me. I opened my mouth to decline, but before I could, Billy laughed.

"What's so funny?" I snapped. "You think a woman can't compete as well as a man?"

Billy apologized for laughing at me and said he was sorry he had brought the subject up. "I'll do it," I blurted. I wanted to take them back, but it was too late. Billy had accepted my offer.

Jim and Myrna thought it was a big joke. They teased us constantly and even

came to the launch point to see us off.

Billy looked fantastic in his skintight bathing suit. His cock made a mouthwatering lump in the tightly stretched material. He seemed to appreciate my string bikini. I caught him staring at my barely covered tits more than once while we struggled to get the unwieldy raft into the water.

The race turned out to be quite an event. There were at least a hundred rafts lined up by the time the starting gun was fired.

It didn't take long to discover that most of the rafters were very serious about the competition. We found ourselves behind the pack, bringing up the rear.

We finally crossed the finish line and accepted the defeat gracefully and relaxed. In celebration, Billy reached into the cooler, pulled out, and opened a couple of beers and we laughed and talked as the raft drifted aimlessly down the river. The afternoon had heated up and even my bikini was making it too hot.

Somehow, having a strange man watch me undress was more exciting than anything I'd ever felt. He helped steady the braft and helped me out of my top. I breathed a sigh of relief and thanked him. I let the bathing suit drop to the floor.

"What about you?" I asked. "Isn't it too hot for you??"

He blushed, and seemed at a loss for words. I couldn't take my eyes off of his swollen rod. My pussy was sopping wet and not just from the sweat. It was dripping like a faucet. Billy had me so hot that I actually wanted to masturbate right there and then.

"I would be more comfortable if I did," he admitted. "Are you sure you don't mind?"

"Mind? I'll help you," I gasped.

He pulled the front of his trunks down and his erect prick sprang into view. He pointed it toward me and I looked straight at it and licked my lips..

A couple of minutes passed and nothing more happened so he pulled his suit back up. I tried to muster up the courage to touch it, but just couldn't, yet.

"I can't stay hard when it's like this," he finally mumbled, as he let the suit spring back over his exposed hard-on. "You mean when it's so hot out?" I whispered, moving closer to him.

BLAIR-NTS-00

He nodded, yes. I touched the bulge with my fingers and very lightly ran them up and down the twitching shaft. "I can make the stiffness go away," I offered, trying to control the shivers that were running up and down my back. I wanted Billy's dick in my pussy more than I've ever wanted one in my life. I had to have it, even if it had to be on a raft in the middle of the river in the middle of a heat wave.

"It made me hot," I admitted, "when you watched undress." I slipped my hand down the front of his suit. His prick was scalding hot. It throbbed under my fingers. He had his mouth hanging open and his eyes closed.

"Did you like looking at my pussy?" I whispered, trying to get him excited enough to give me what I wanted. He's been married to Myrna for over ten years. They are a very happy couple. I knew he would worry about cheating on her.

I wanted to assure him that I didn't want to mess up his marriage. All I wanted to do was borrow his big, beautiful cock for an afternoon. I explained that to him. His answer was a grunt.

By that time I had his prick out of his trunks and was jacking him off at a steadily increasing pace. It was his stiff dick talking, but I didn't care. My pussy ached to feel his huge fleshy rod sliding in and out.

We were unfortunately coming into sight of a couple of rafts. I solved that problem by having him lie on his back in the bottom of the boat. I knelt across his hips and slowly plunged my hungry pussy down on his

My hips began a slow but steadily increasing movement up and down his swollen shaft. Soon I was coming up so far on the up-stroke that his cockhead would completely leave my sucking cunt.

Each time the purple, swollen rod pierced my slippery slot, my entire body shook. I must have had a hundred mini-orgasms before the dam burst. It is a good thing that the rafters were quite a distance away, because when the orgasm hit me, I screamed and slammed in my quaking cunt all the way down on Billy's twitching prick.

He grabbed my hips so tightly that I wondered if there would be hand prints as he lifted his hips off of the rubber floor and began shooting his boiling cum deep into my womb.

steel-hard dick.

I kept a paddle in my hand to give the impression that I was alone, paddling my raft leisurely down the river. I remained very still. I answered each throb of his beautiful cock with a squeeze from my quivering pussy.

I was in complete control. I wanted it to last forever. I didn't want him to fill my box with his hot cum until I could stand it no longer.

Billy's cock is much bigger than Jim's. It filled my wet, juicy box to overflowing. As he became more and more excited, he reached up and slid a hand under my top. He rolled my stiff nipple between his finger and thumb in a breathtakingly slow rhythm.

He yelled, grunted, groaned, and shoved his magnificent pole in and out of my sucking box until we were both totally drained. Finally, I collapsed across his sweaty body and fell asleep.

He woke me up by nibbling on my ear. As soon as I opened my eyes, he kissed me gently.

I rolled off of his big, strong

body and took his limp prick in my hands. Slowly it came back to life. "Go ahead, get it up again," I dared him. I knew he would not refuse.

He was a fantastic sport. The sight had my pussy tingling again.

The river was getting a little more crowded as we drifted farther down stream. But, by then, we were both too excited to care.

His dick was back at full stand and my hand was again stroking the twitching pole. Suddenly, I wanted to taste him. I moved around and put my mouth over his big dick.

My legs were beside his head. Before I could even get his big dick in my mouth, I felt his tongue probing around the crotch of my bathing suit. His tongue worked under the flimsy material like a snake.

I screamed the first time his tongue contacted my slippery pussy lips. Soon we were in a complete sixty nine. My head bobbed up and down on his throbbing dick, while he lapped up my cunt juice mixed with his sperm.

His dick filled my mouth to its maximum. The hot velvet head burned my tongue. His lips between my legs were wild. He shoved his tongue in and out of my hot box in time with my bobbing head on his big pole.

The raft was bounding like crazy. Luckily, we were still far enough away from the others not to draw too much attention. At the time, I don't think I could have stopped sucking his thick cock if my husband had leaned over the side and watched us. I was one big, quivering hungry pussy. I wanted to feel his throbbing prick in every opening of my body.

But I wanted most of all to feel his mouth on my tingling pussy. He was an expert cunt lapper. His tongue teased up and down my sopping slit, very slowly, stopping at the top of each stroke to tickle my quivering clit.

Each time, he would take me to the brink of orgasm and pull his mouth away. "Not yet, Baby. Hold on. Daddy's gonna give you an orgasm you'll never forget." His mouth never left my cunt as he spoke. His muffled voice added to the sparks flying up and down my spine.

hole to pull his chain. He growled and began pumping his cock in and out of my ready mouth like it was a steaming cunt.

He finally shot his heavy load of cream into my waiting mouth. His lips closed over my quivering clit. I started coming the second his prick began filling my mouth and I was still coming when his limp noodle slipped out.

We grabbed a towel and took turns trying to dry ourselves off. We got dressed quickly, and managed to make ourselves presentable and sat up, just as the raft came into sight of shore. There were hundreds of people drinking and partying. Jim and Myrna were among them. We managed to mingle for another hour but I was complaining that it was too hot.

On the ride home, they commented on how tired we looked. I'm glad they couldn't read minds. We managed a sleepy smile and resisted answering any questions.

I don't feel the least bit guilty. That afternoon with Billy on the raft

When I could take it no more, I used a trick that always worked on my husband. I reached back and spread the cheeks of his tight firm, ass. My finger quickly found my target, his tiny puckered anus.

All it took was the tip of one finger gently slipping in and out of the tight

was pure sex, and nothing to do with love.

It was a fantasy come true, and I enjoyed every minute of it.
